

**Spring is for blooming.** Pansies and Violas are not the only things to plant in April. Besides perennials, we are offering dozens of cool weather annuals that thrive in early Spring. Try these in beds, window boxes, patio pots, and even hanging baskets:

- |             |                   |               |
|-------------|-------------------|---------------|
| Linaria     | Pansies           | Ivies         |
| Nemesia     | Primula           | Stock         |
| Alyssum     | Ranunculus        | Nierembergia  |
| Calendula   | Violas            | Swiss Chard   |
| Lathyrus    | Annual Phlox      | Viola Violina |
| Vinca Vine  | Diascia           | Dianthus      |
| Arctotis    | Flowering Cabbage | Snapdragons   |
| Osteopermum | Flowering Kale    |               |

Also try frost tolerant vegetables such as arugula, broccoli, brussel sprouts, cabbage, cauliflower, kohlrabi, lettuce, peas, and many more.

Available in early April, weather permitting.

### Plant Earlier, Grow Longer!

FreezePruf is a revolutionary NEW product that naturally increases the cold & frost tolerance of plants! Like a biodegradable anti-freeze for plants, it equates to moving your garden 200 miles south, & is approved for use on food crops! # Winter & Spring events:

## Organic Gardening – Getting Back to Our Roots

**March 20, Saturday 10:00AM**

Telly's "Guru of Green", Eric Grant, continues to enlighten us about the broad ranging and ever-changing world of organic gardening. Organic alternatives & solutions will be discussed in this always informative event. Attendees will be privy to "special savings" on organic garden care products the day of the class. Class fee is \$5. Please pre-register. Phone (248) 689-8735.

## Ready, Set, Grow!

**March 27, Saturday 10:00AM**

It's time to wake up your garden! Telly's panel of experts will give you timely tips & projects to help you get the growing season off on the right foot. Topics will include garden clean-up, pruning, soil preparation, rose & clematis care, and more! Eric will introduce NEW garden care products with super-special savings for attendees. Class fee is \$5. Please pre-register. Phone (248) 689-8735.

## Trough Planting Workshop

**April 10, Saturday 10:00AM**

In this workshop, participants will bring a trough (homemade or purchased) and learn the proper steps to planting alpine plants for years of perennial enjoyment.

You will also be learning about alpines and their preferences. A great selection of alpines, dwarf conifers, and miniature plants will be available for purchase and planting. Class fee is \$5, plus the cost of materials used. Pre-registration is required. Phone (248) 689-8735.

## The Magic of Mystical Fairy Gardens with Carol Czechowski

**April 10, Saturday 1:00PM**

Carol will lead us through the tantalizing

lore and practical practices of fairy gardens. Attendees will learn how to create their own portal between mythical worlds & the real one with miniature gardens enticing to the creatures of both. Class fee is \$5, plus the cost of materials used. Pre-registration is required. Phone (248) 689-8735.

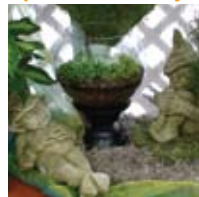

## What's New for 2010!

**April 17, Saturday 10:00AM**

Our selection of unique plant material is unbeatable. Join us to learn about the many new annuals and perennials that are available for 2010. Many of the plants will be available for sale. We will also preview some of the new plants for 2011. Class fee is \$5. Please pre-register. Phone (248) 689-8735.

## Terrarium Workshop – Gardening Under Glass

**April 17, Saturday 1:00PM**

Following a brief lecture covering the history & concepts of terrariums, attendees will assemble their own "Garden Under Glass". The workshop fee is \$30 & includes materials

& plants. Please pre-register. Phone (248) 689-8735. (Terrariums make fantastic Mother's Day Gifts!)

## Underused, Underappreciated, & Unknown Annuals

**April 24, Saturday 10:00AM**

Telly's owner, George Papadelis, will show us many of the great annuals Telly's has to offer. With over 2000 varieties from which to choose, George will review "forgotten" annuals and why you should have them in your landscape. Class fee is \$5. Pre-registration is required. Phone (248) 689-8735.

## Underused, Underappreciated, & Unknown Perennials

**April 24, Saturday 11:00AM**

Lunch by Insalata available for purchase Telly's perennial guru, Mike Harvey, will teach participants about the myriad of perennials

with which you may not be familiar. Some are old, while some are new, but this is your chance to become familiar with many of these relatively uncommon perennial treasures. Class fee is \$5. Pre-registration is required. Phone (248) 689-8735.

## Greenhouse Tour

**April 24, Saturday 1:00PM**

Telly's owner, George Papadelis, will guide participants through the greenhouse and discuss some of the new and interesting plants. George will stress underused annuals and perennials as well as recent improvements. This first hand "presentation" promises to be enthusiastic and informative.

## Spring into Roses

**April 29, Thursday 6:30PM**

Telly's rosarian, Susan will discuss all aspects of rose care, including pruning, planting, insect & disease control, as well as the new 2010 varieties. Class fee is \$5. Please pre-register. Phone (248) 689-8735.

## 15th Annual Container Gardening Lecture and Workshop

**May 1, Saturday – Lecture 10:00AM, Workshop 11:30AM-2:00PM**

Lunch by Insalata available for purchase Through the use of numerous visual aids, the Telly's staff will dissect the process by which beautiful container combinations are created. Learn how to design window boxes, patio planters, herbal containers, and hanging basket combinations. Lecture fee is \$5. Workshop attendees will design, assemble, and plant a unique combination

with help from our container gardening experts. The workshop fee is \$5 plus the cost of materials used. Pre-registration is required. Phone (248) 689-8735.

## Herbs in Containers Workshop

**April 29, Thursday 6:30PM**

Hosted by our own delightful Judy Cornellier & sponsored by the Herb Society of America's Southern Michigan Unit, attendees will plant a container with an assortment of useful & ornamentally pleasing herbs. Class fee is \$5. Please pre-register. Phone (248) 689-8735.

## Bonsai Workshops

**March 27, Saturday 1:00PM**

**April 24, Saturday 1:00PM**

**May 22, Saturday 1:00PM**

In this hands-on workshop, attendees will create their own bonsai to take home with them. Topics will include plant & pot selection, root combing, root pruning, potting, pruning & basic styling techniques & aftercare. Workshop Fee is \$35. Pre-registration & pre-payment are required to hold your spot. Phone (248) 689-8735.

## Four Seasons Bonsai Club

**Three Ring Circus:**

**March 28, Sunday 2:00PM**

**Advanced Techniques:**

**April 25, Sunday 2:00PM**

For more information, please visit [www.fourseasonsbonsai.com](http://www.fourseasonsbonsai.com)

## Hardy Ferns

**May 4, Tuesday 7:00PM**  
Hardy ferns are easy, disease free and fill many roles in the garden. Ferns may be used as groundcover, an edger, as a

background plant, or even as a specimen. They will naturalize in shady and/or damp conditions and lend a lush tropical foliage effect. Mike Harvey will show the many varieties of ferns available and guide the class through selecting and growing them in the garden. Class fee is \$5. Please pre-register. Phone (248) 689-8735.

## Take Back Your Garden with Julia Hofley

**May 11, Tuesday 7:00PM**

Tired of watching the deer, squirrels & other browsers getting the best of your garden? Learn how easy it is to cope with these munching menaces & take back your garden! Class fee is \$5. Please pre-register. Phone (248) 689-8735.

## Vegetable Gardening

**May 18, Tuesday 7:00PM**

Telly's staff will provide information on how to get the most out of your vegetable garden. Topics will include nutrition, spacing, timing, and how to select a tomato from the 60+ varieties Telly's has to offer. Delicious heirloom tomatoes

will be highlighted. Class fee is \$5. Pre-registration is required. Phone (248) 689-8735.

## Edible Ornamentals

**May 25, Tuesday 7:00PM**

We decided to offer this class because of the growing interest in beautiful, ornamental plants that can also be eaten. Learn how to use these plants in both your beds and containers for a double dose of garden enjoyment. Class fee is \$5. Pre-registration is required. Phone (248) 689-8735.

## Herbs

**June 8, Tuesday 7:00PM**

Whether growing herbs for cooking, fragrance, or their aesthetic qualities, bringing them indoors can provide year round benefits and enjoyment! Learn the nuances of growing & using herbs in this delightfully informative presentation. Class fee is \$5. Please pre-register. Phone (248) 689-8735.

## Gardening for Hummingbirds & Butterflies

**June 15, Tuesday 7:00PM**

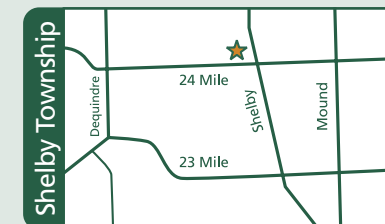

Through a show and tell format, Telly's staff will show us many of the annuals and perennials that attract these beautiful creatures and bring new dimensions of enjoyment to your gardening experience. Class fee is \$5. Pre-registration is required. Phone (248) 689-8735.

## Introducing our new Shelby Township location

We are proud to announce a new addition to Telly's – a new production facility and garden center in Shelby Township. We are planning to open early this spring and offer the same extraordinary selection, service, quality, and value that has made the original Telly's so successful for over three decades. Telly's in Shelby

will also be offering a full spectrum of trees and shrubs as well as classes, workshops, and more. Visit [Tellys.com](http://Tellys.com) for spring hours.

4343 24 Mile between Dequindre & Shelby Rd.
